PROFILE SUMMARY

Motivated and reliable individual with a strong passion for customer service and retail. I am eager to start my career in a people-oriented environment where I can interact with customers daily, build communication and sales skills, and contribute to a positive shopping experience. I bring strong teamwork, adaptability, and problem-solving skills, along with growing technical knowledge from my Computer Science studies. My goal is to add value to any workplace through professionalism, enthusiasm, and a commitment to excellent service.

EDUCATION

Regenesys Business School – Bachelor's Degree in Computer Science

January 2025 – Present (Second Year)

GED Certificate (Matric Equivalent) – SAQA Verified

Completed: 2024

KEY SKILLS

- Customer Service Excellence: Skilled at engaging with customers and ensuring they have a positive experience.
- Communication: Clear, confident, and friendly when assisting customers or working with a team.
- Teamwork & Collaboration: Works well with others to achieve goals and maintain a positive environment.
- Problem-Solving & Adaptability: Able to handle challenges calmly and adapt to fast-paced settings.
- Technical Literacy: Proficient in Microsoft Office, email, and internet use; developing programming and tech skills through my studies.
- Time Management: Organized and reliable, ensuring tasks are completed efficiently and accurately.

ACHIEVEMENTS

- Earned multiple distinctions in my first university semester.
- Recognized by peers and lecturers for leadership, independence, and reliability.
- Self-taught learner, improving coding, technology, and customer service skills independently.

INTERESTS

- Retail & customer engagement
- Technology and innovation
- Hospitality and people-oriented work
- Personal growth and continuous learning
